

ADVANCEMENT FORM FOR HIGHER-LEVEL COMPETITION

PLEASE READ CAREFULLY BEFORE COMPLETING THIS FORM

It is the goal of the Armed Forces Sports Program that all participants advancing to international events possess a current passport (not expiring within 6 months of concluding travel date). Passports, or other acceptable documentation authorizing international travel, are required for CISM or international competitions (i.e. SHAPE International Basketball) held outside the United States. Prospective CISM candidates must report to an Armed Forces Championship with their passport and proper military uniform in their possession when a CISM Championship immediately follows an Armed Forces event. If a candidate arrives at an Armed Forces Championship with no passport and if the individual is selected to participate in the follow-on CISM competition, it is the individual's responsibility to contact his or her respective Sports Director for assistance in obtaining the necessary travel document or to determine if the timeline is adequate to fulfill requirements. If individual's passport or military uniform was left at duty station or residence, it is individual's responsibility to have items express mailed to Armed Forces Championship location, with arrival verified by the respective Service Representative prior to the team selection meeting. Participants must attest to their availability for the advanced competition by completing and turning in this Advancement Form prior to the Armed Forces Championship Organizational Meeting. This will allow the Armed Forces Team Selection Panel a complete list of fully available candidates prior to the scheduled Armed Forces Team selection meeting.
