Whereas, initially working 24 hours a day and 7 days each week, the outstanding men and women of the Pentagon Renovation Program have demonstrated the Nation's resolve and know-how, and are 6 weeks ahead of schedule in the reconstruction effort;

Whereas the 400,000 square feet of demolition work, which had to be completed before reconstruction work could begin, was completed in just 1 month, when it was estimated to take 4 to 7 months for the job; and

Whereas the renovation effort is comprised of 15 percent government and 85 percent contracted personnel, and these individuals have clearly dedicated themselves to making this important institution whole again: Now, therefore, be it
